

“Previous to taking this study on texting and driving (from August 25, 2009), had you ever sent texts and/or other mobile messages while driving a vehicle?”

Percentages may not equal 100 due to rounding

“Have you lessened the amount of texts and mobile messages sent while driving in the past week because of the video you were shown in this study (on the dangers of texting and driving)?”

Percentages may not equal 100 due to rounding
